Visit GardenHomeHistory.com for almost 200 stories and over 1500 photos.

Our Holiday greetings to all of our Garden Home friends and families. Thank you for sharing your stories and photos. Thank you for your interest, your attendance at our many events and your donations to sustain our historical research and community education. Thank you to our Board of Directors for their diligent efforts to present our history.

This greeting from Dorothy Johnson Stevens reminds us of a young Garden Home woman who became Miss Oregon in 1955. Her dad operated the service station and they lived next door. Dorothy went on to become the first runner-up for Miss America and then on to Hollywood! She starred in *Bernadine* along with Pat Boone, and still a beauty!

Thank you to all who visited us at the December 2 **Holiday Bazaar**. We sold all of the historic oatmeal cookie recipe jars!

Story excerpts:

These fun excerpts from our stories are just samples of the content you can discover on GardenHomeHistory.com. We hope you are writing your story for your family.

Colin Lamb: *The electricity was off in the Garden Home area for about a week after the Columbus Day storm in 1962. Of course, many homes had no heat so Dad left the presto logs out in the front of the store with a note to pay for them the next day.*

Dan Nebert: *Therefore, the church window at all times seemed to remain unlocked, so that we were always able to enjoy our rainy Saturday afternoon ping-pong games.*

Plane crash: *Lt Strong managed to guide the plane over the town of Metzger to what looked like a wooded area before bailing out and landing in some nearby trees unhurt.*

Zora and Sharka Becvar: *We sat for a little while and, since we did not understand what the teacher was saying, we just looked at each other, got up and left the room and went home.*

Bob Feldman: *You might have seen young Bob Feldman riding his bike home from Garden Home School precariously toting a pail of slop from the cafeteria to feed his new baby pigs.*
